Students Agree Because of the Program ...

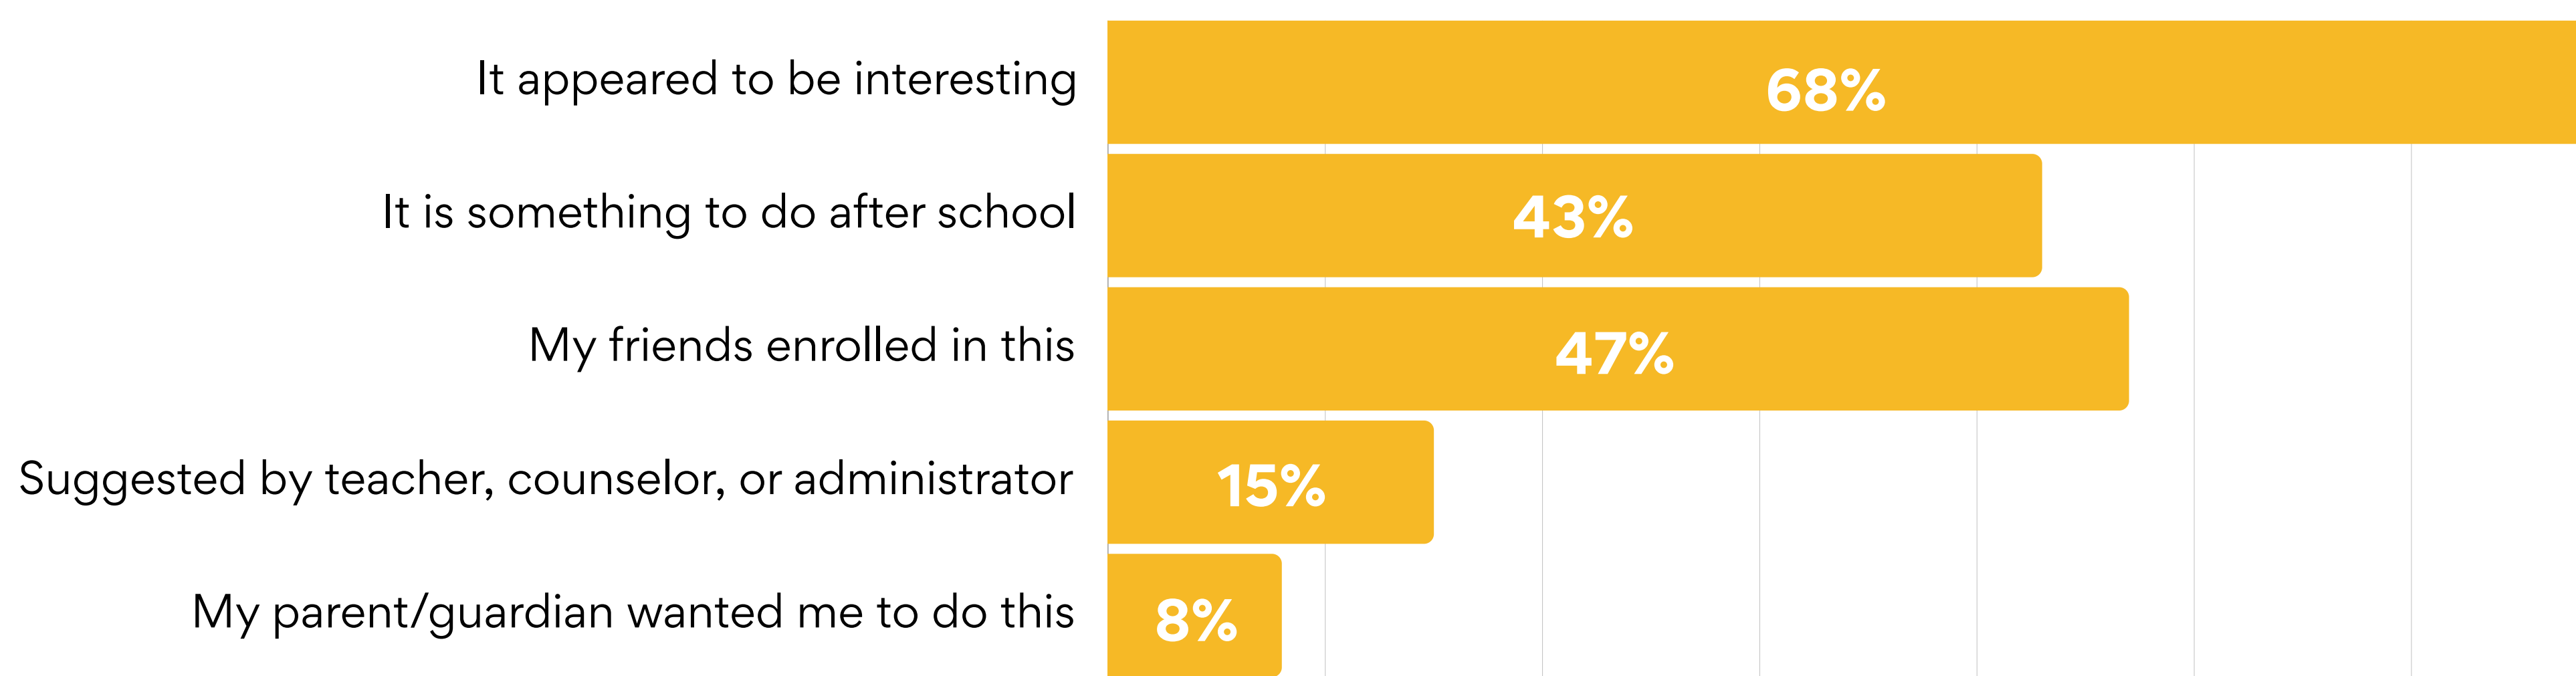

I learned skills to prepare for a college or career in the trades because I participated in the program.

I learned skills to manage money because I participated in this program.

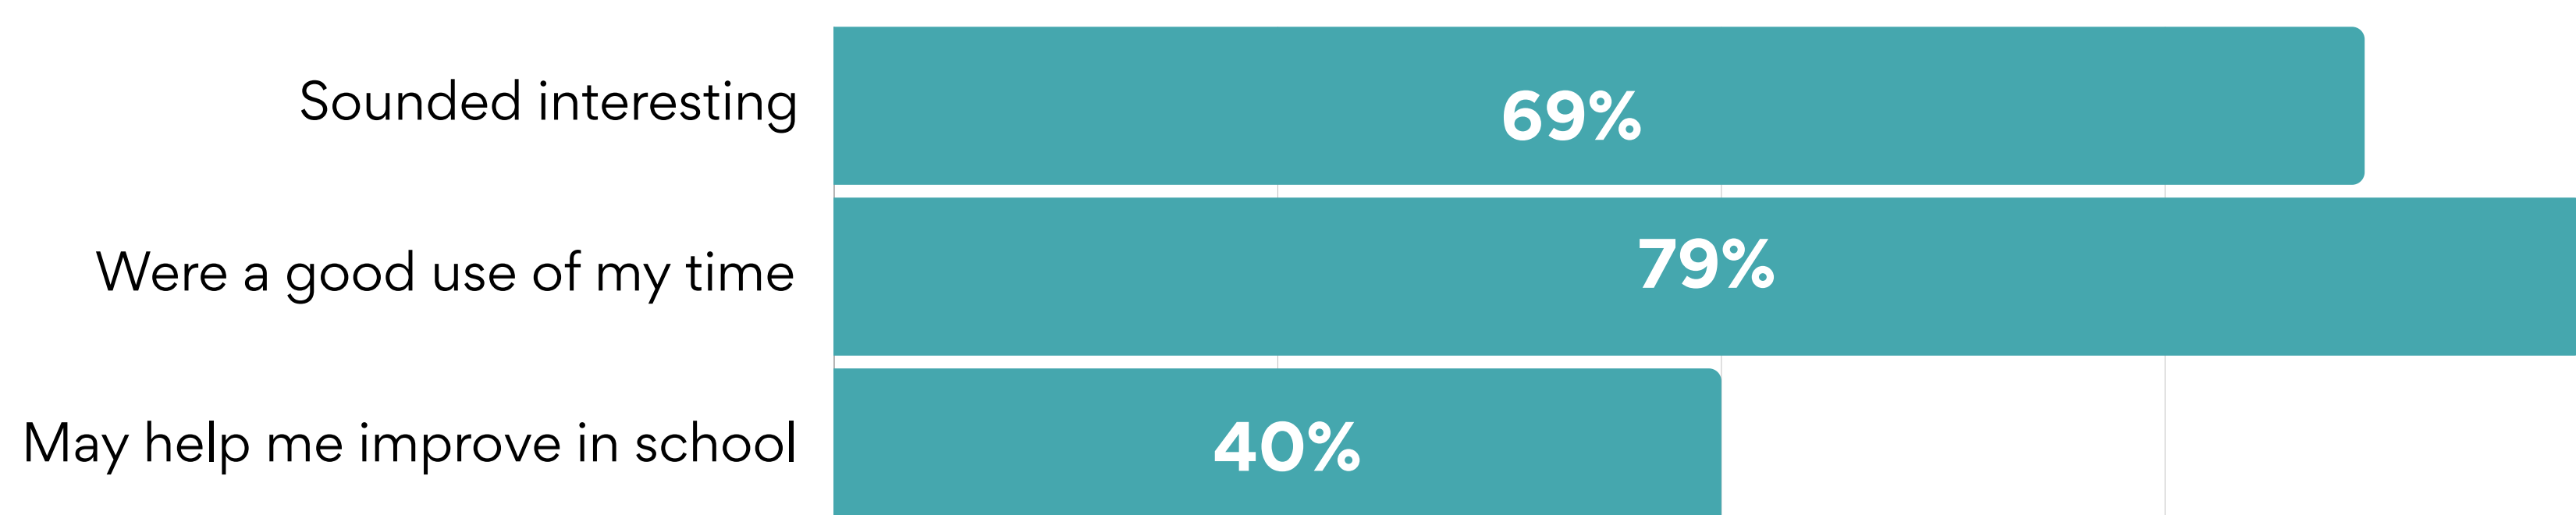

Reasons for Enrolling

Most students surveyed enrolled in the program because it looked interesting.

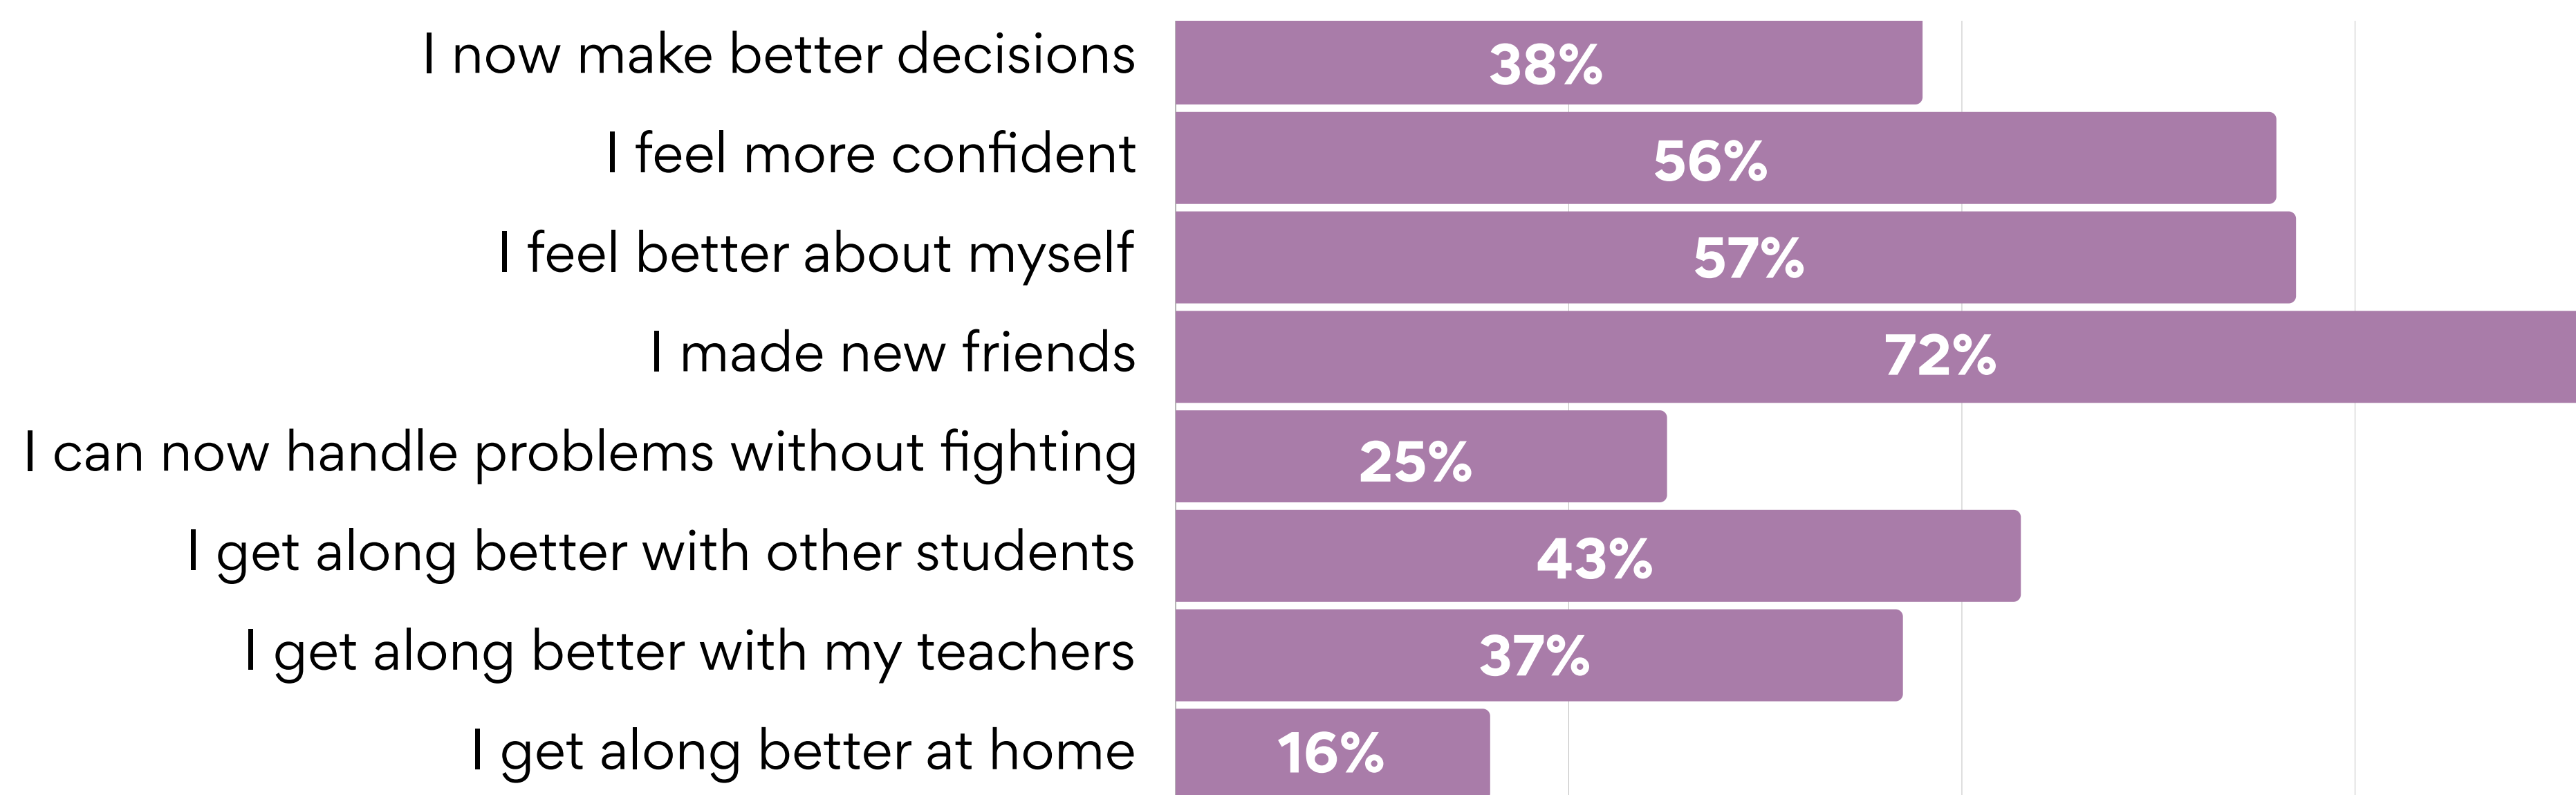

Perceptions of Activities

Most students surveyed agree the program activities were a good use of their time.

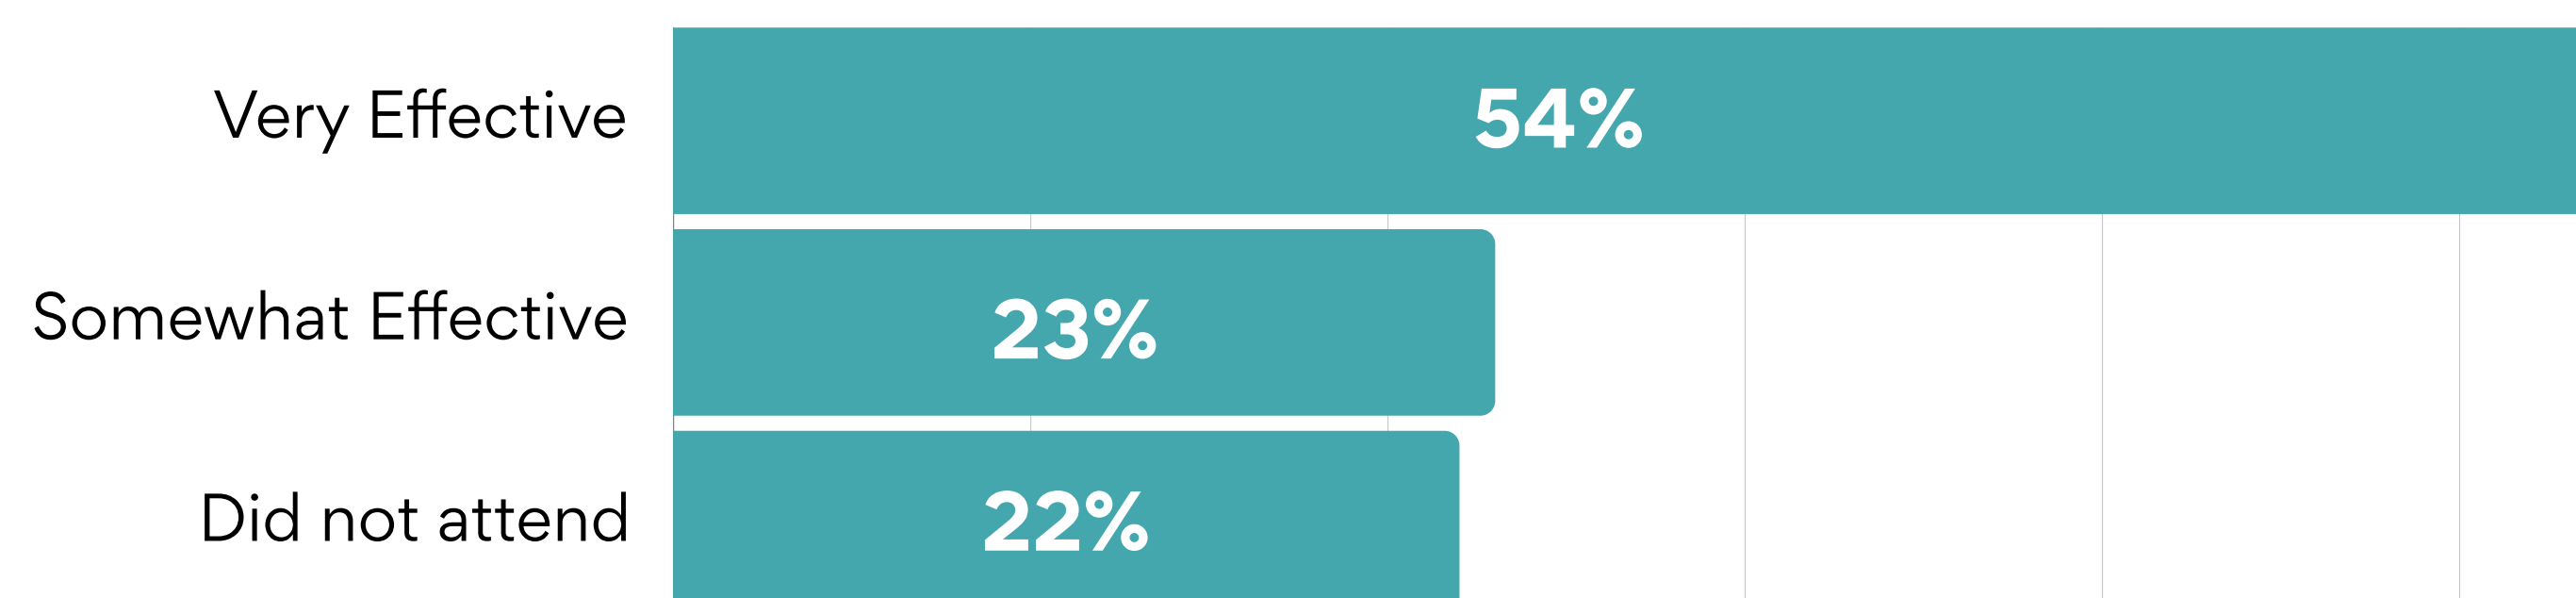

Life Changes

Students were asked about the impact this program had on various life skills. Making new friends was cited most often (72%) and over half indicated they are more confident (56%) and feel better about themselves (57%) due to their participation.

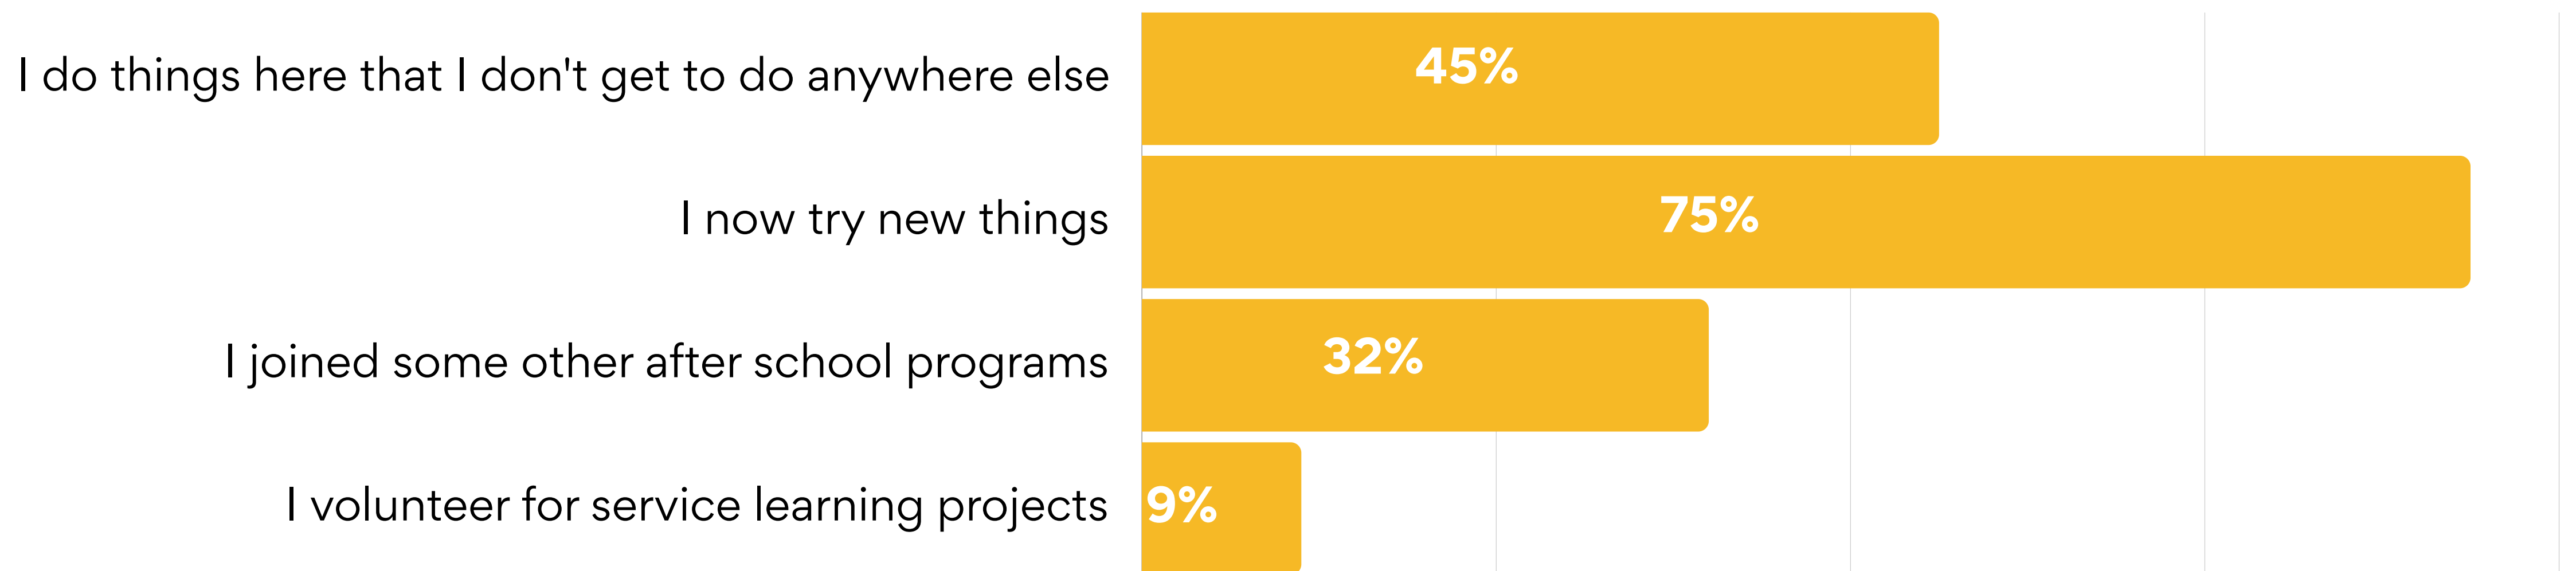

Summer Program

More than three-quarters of students surveyed say the Summer Program was effective.

New Opportunities Because of This Program

Students surveyed have gotten to try new things since joining the program, many of which they wouldn't have the chance to do anywhere else.

How They Would Improve the Program

Many students indicated they need a snack after school. Some asked for more club options, field trips and improved busing.
